Soderstrom Gets GOP Appointment

Charles Soderstrom Jr., prominent Republican leader and automobile dealer of San Pedro, has accepted appointment as finance chairman for the Republican Central Committee of the seventeenth Congressional District, it was announced this week by Jack Drown, chairman of the seventeenth District Central Committee.

Soderstrom was active in the last campaign, taking a leading part in the Eisenhower and Nixon work for the area and also in the race of Robert H. Finch for Congress. Finch was the first Republican nominated for Congress in many years in the seventeenth District, and was defeated by the incumbent Cecil King by a vote which local leaders feel can be overcome next year.
